Mobile Printing at UKZN

Students using their own laptops may print and release print jobs at UKZN Libraries and Student Laboratories, using their own UKZN Student email account.

Please note the following:

- Access your University Student email account from your Laptop
- Email your print request to <u>mobiprint@ukzn.ac.za</u>
 from your Student UKZN email account as an attachment
- The attachment/s will be printed only and not the content of the email
- The prints will be single sided A4 pages
- If you sent colour prints, please release your job on a colour device, models C 368
- The process can take up to 15 minutes before the print job is available to be spooled to any Library copy/print centre or at any Student Laboratory MFD
- Simply touch your card on the MFD after the prescribed minimum time to release the attachment/s at any of the 130 MFD's currently available
- The normal print charges apply.
